

**The Association for Infant Mental Health in Hawai'i (AIMH HI) is hosting an 18-month Learning Collaborative for infant and early childhood professionals interested in developing their Reflective Supervision skills.**

To meet the needs of Hawai'i's growing infant and early childhood workforce by increasing access to qualified providers of RSC, AIMH HI is excited to host this Reflective Supervision Learning Collaborative—developing a professional's skills and capacity to provide RSC to others within the IECMH community

**Learning Collaborative participants will:**

- Receive 22 hours of training on the provision of RSC
- Receive monthly group reflective consultation
- Gain requirements to become I/ECMH endorsed

**Virtual Training Dates:**

August 19th, 2024

August 20th, 2024

February 25th, 2025

September 24th 2025

**Applications will be accepted through May 31st, 2024.**

**[Apply here!](#)**

**AIMH HI is offering scholarships to Participants of the Learning Collaborative.**

\$50 for AIMH HI members

\$100 for non-members

*Participants who provide RS/C for direct service providers in Maui County are able to participate with NO COST.*

**AIMH HI is committed to supporting the infant and early childhood workforce. Growing evidence suggests that the practice of RSC supports professional development, increases the reflective capacities of professionals, and decreases the experience of burnout.**
