Hawaii Maternal and Infant Health Collaborative (HMIHC) Annual Meeting:

"Tackling Unintended Pregnancies"

Proactively Incorporating Pregnancy Intention Screenings in Health Care Settings

Keynote Speaker: Michele Stranger Hunter

Executive Director, Oregon Foundation for Reproductive Health
Founder of the One Key Question Initiative (OKC)

Over the course of four decades, Michele has focused on women's access to the range of reproductive health care services. She implemented the first school-aged mothers' alternative education program, directed a Title X family planning program, was the CEO of a physician peer review organization, owned a managed care company, and 10 years ago, returned to the front lines of reproductive health and reproductive rights as Executive Director of NARAL Pro-Choice Oregon and Oregon Foundation for Reproductive Health, where she created One Key Question®.
