

**ECAS TEAM 5**

**ECAS GOAL 2**  
More children develop on-track

**ECAS GOAL 3**  
More children enter kindergarten school ready

**ECAS GOAL 4**  
More children are proficient learners by 3rd grade

## High-quality Early Learning Programs

Team 5 will develop a comprehensive personnel development (CSPD) system to strengthen and sustain an Early Childhood (EC) workforce that provides meaningful outcomes for children with special needs, birth to five and their families.

**THEORY OF CHANGE**  
If children’s services and programs are low quality, they can actually do damage to the child. Quality programs produce ready children and continued quality improvement ensures a highly skilled workforce.

GOALS	STRATEGIES	PERFORMANCE MEASURES (TARGETS)	
<ul style="list-style-type: none"> <li>» Provide children with early childhood (EC) services that support their optimal development and prepare them for kindergarten</li> <li>» Develop a statewide system that promotes professional and workforce development and retention in EC</li> <li>» Create a shared professional standards and data system to ensure quality</li> </ul>	<ul style="list-style-type: none"> <li>» Create a CSPD Infrastructure for the State</li> <li>» Adopt and integrate the EI-ECSE Standards</li> <li>» Ensure preservice preparation programs across disciplines align to national professional standards</li> <li>» Ensure statewide systems for in-service PD and TA are aligned and coordinated across disciplines</li> <li>» Recruit and retain staff across the EC system</li> <li>» Develop sustainable mechanisms to collect and analyze data across all 6 subcomponents</li> </ul>	<ul style="list-style-type: none"> <li>» Increased # of providers who are culturally and linguistically responsive to Hawai'i's keiki</li> <li>» A leadership team is in place to set priorities &amp; make policy, governance &amp; financial decisions</li> <li>» Increased # of providers follow national professional organization personnel standards</li> <li>» Across disciplines, criteria for state certification, licensure, etc. are aligned to state personnel standards &amp; national standards</li> <li>» Increased # of providers graduate from IHE (institutions of higher education) programs</li> <li>» Increased # of IHE programs and curricula are aligned w/national &amp; state standards</li> </ul>	<ul style="list-style-type: none"> <li>» Increased # of providers access statewide in-service Professional Development / Technical Assistance opportunities</li> <li>» There is a statewide system for in-service PD/TA that is aligned &amp; coordinated w/ IHE programs &amp; curricula</li> <li>» Increased # of incentives for workforce training &amp; engagement</li> <li>» Recruitment / retention strategies result in a workforce supply that meets system needs</li> <li>» Increased # of professions with professional competencies</li> <li>» Increased rates of retention in workforce</li> <li>» There are adequate &amp; sustainable funding streams supporting system capacity</li> </ul>
